

As the women in our lives are extremely important to our Masonic education the Companions in Montana came up with a way to provide entertainment for them through this wonderful skit. It is meant to provide the ladies with a night of fun, laughter and genuine love for all they do for each of us. The only reason that it is not posted is keep this program a surprise for our ladies. Contact your Grand Lecturer to obtain a copy of this skit to have a wonderful evening of fun and laughter. A member of this degree is entitled to a Royal Arch Widows pin and certificate which the Grand Lecturer can advise you how to obtain.
