A plural member may however, demit from any Constituent Commandery without loss of membership in any other Constituent Commandery to which he belongs.

Section Five: Perpetual Membership Law

- a. Perpetual Memberships are authorized in all Constituent Commanderies of this Grand Jurisdiction, subject to the following terms and conditions:

1. Any member in good standing and possessing a current dues card in a particular Commandery of Knights Templar of this Grand Jurisdiction may become a perpetual member pursuant to the provisions of this section.

2. The member desiring a perpetual membership shall apply to the recorder of his Commandery for such membership on forms prescribed by the Grand Commandery and shall tender therewith a minimum sum of (20) times the annual dues for his Commandery in effect at the time of the application, but in no event less than (20) times the minimum dues. The recorder shall complete his part of the application and shall forward the same together with the full fee due, to the Grand Recorder, Grand Commandery Knights Templar. The date of the application shall be the date the Grand Recorder certified he received the application.

3. The perpetual membership fee may optionally be paid in five (5) equal annual installments. Use the multiplier of 4.52 X your Commandery dues at the time of application to determine your installment payment.

Example: On January 1, 1995 your Commandery dues are \$25.00. Multiply \$25.00 X 4.52 to determine that your annual fee will be \$113.00 for five (5) successive years.

When purchased under the five (5) year option, a membership becomes perpetual when the initial installment is paid and continues as such, provided each of the four remaining installments is paid by the last day of December in successive years. After enrolling under this option, a member may not revert to the single payment method, but may remit any or all unpaid installments provided no installment is past due.

Having enrolled under the installment option, a member may withdraw from the Perpetual Membership program at any time. In so doing, he reverts to the membership status held before joining the program and shall remit dues to his Commandery for the current year and for successive years unless otherwise exempted.

Failure to pay any installment due by December 31 in the year due constitutes voluntary withdrawal from the program, and regular dues in his Commandery for the same year are payable.

After the initial payment, a member may revert formally to regular membership as outlined in this law, and subsequently re-enroll in the program in the same status held when he withdrew. In such circumstance, he shall resume paying the original installments until the fee has been paid in full.

4. The application shall be signed by the applicant and have the certification of the Commandery recorder. The application shall not become effective until the applicant's record has been certified by the Grand Recorder of the Grand Commandery. The application shall contain thereon the computations upon which the perpetual membership fee is predicated. If the Grand Recorder determines that the minimum fee, tendered by the applicant is in excess of that required, he shall have the power to correct the application and the Commandery recorder's computations of the fee, accept the application as corrected and refund any excess fee to the applicant through the applying recorder. If the fee tendered is insufficient, the Grand Recorder shall return the application and fee to the constituent Commandery recorder for correction and resubmittal. A copy of the completed and accepted perpetual membership application shall be furnished to his Commandery by the Grand Recorder. A certificate of perpetual membership shall be furnished to the applicant by the Grand Recorder. The provisions shall be construed so as to permit the Grand Recorder to use computerized records.
5. After the perpetual membership application and fee have been received and accepted by the Grand Recorder, the perpetual membership fee shall not be refundable except under circumstances determined by the Grand Recorder to be mistakes of fact rendering the applicant ineligible for perpetual membership as of the date of application.
6. After the applicant's perpetual membership has been accepted by the Grand Recorder, the perpetual membership fee shall be paid over to the Grand Treasurer, Grand Commandery of Knights Templar as required by Grand Commandery Law. The funds shall be placed collectively in restricted perpetual membership accounts. These funds shall be accounted for on an individual Commandery basis, listing the amount a person paid into the fund for both Commandery dues and per capita and any assessments in effect. The funds shall be accounted for separately, by the Grand Treasurer, from all other Grand Commandery funds. The funds shall be audited annually.
7. To protect your Commandery from future Grand Commandery per capita tax increases on Perpetual Members, the per capita tax will be replaced with a

proportionate ratio payment. The proportionate ratio is fixed at the time an applicant becomes a Perpetual Member.

Example: If your Commandery dues are \$25.00, multiplying by 20 establishes a Perpetual Membership fee of \$500.00. At a 5% return your Commandery receives \$25.00 in interest, the same amount it would have received in dues. Using the example of \$25.00 dues, and with the current per capita of \$9.80, this means that 9.80 parts of the interest earned, $(9.80/25)$, is proportionately distributed to Grand Commandery and the Commandery proportionately keep 15.20 parts of the \$25.00 earned interest, $(15.20/25)$. As this ratio is frozen at the time an applicant becomes a Perpetual Member, Grand Commandery per capita increase will not affect it. The Commandery continues to keep 15.20/25 of the money earned and returns 9.80/25 to the Grand Commandery in lieu of per capita tax. If the interest return is more than 5%, your Commandery and Grand Commandery would benefit in the same proportionate ratio as shown above. For example: Eight percent (8%) interest on the original \$500.00 Perpetual Membership fee would return \$40.00 and using the same ratio means that 9.80/25 of the \$40.00 (\$15.60) must be returned to Grand Commandery in lieu of the per capita tax, and your Commandery retains 15.20/25 (\$24.40) in lieu of the annual dues. This ratio $(9.80/25 - 15.20/25)$ remains the same in perpetuity.

8. A perpetual member shall owe no further dues to the Commandery of which he is a perpetual member. The Commandery recorder who shall denote that his dues have been paid in perpetuity shall issue a dues card.
9. The perpetual membership fee, less any amount required to supplement earned interest to pay the constituent Commandery the first year's dues and per capita, shall be considered principal and shall never be spent. Principal used to pay the first year's dues and per capita shall be recovered from excess earned interest. Until the original purchase price has been reinstated, annual earned interest equal in amount to the dues and per capita tax of the Commandery established as of the date of the purchase, shall be paid annually to the constituent Commandery. After the principal so used shall be recouped, the total amount of interest derived from the funds collectively invested, less administrative charges, shall be paid annually to each constituent Commandery on a pro-rated basis for each perpetual member prior to January 15 of the ensuing year. Administrative charges cover cost of operation of the program, including certificates, forms, accounting, auditing, and advisor fees.

10. When purchased under the five (5) year option, the same provisions as stated in Paragraph 9, shall apply with these exceptions. The perpetual membership fee, less any amount required to supplement earned interest to pay the constituent Commandery dues and per capita for each of the five (5) installment years, shall be considered principal and shall never be spent. Further, when purchased under the five (5) year option, monetary amounts equating to the particular Commandery dues and per capita tax, established at time of purchase, only, shall be paid to the particular Commandery during the installment period. After the entire Perpetual Membership fee is paid in full, provisions of Paragraph 9 shall apply. In the event a Perpetual Member dies, demits, is suspended or expelled or withdraws from the program prior to making the fifth (5th) for final installment, only the earned interest, less administrative fees, shall be paid to the Particular Commandery if earned interest is less than the member's dues and per capita established at the time of purchase.
11. The Grand Recorder, Grand Commandery of Knights Templar, shall, at the time of the annual interest distribution, submit a statement to the constituent Commandery for the amount of the proportionate ratio payment due to the Grand Commandery for each Perpetual Member computed as set forth in Paragraph 7 above. The constituent Commandery shall, during the member's lifetime and thereafter, pay to the Grand Commandery the amount of the proportionate ratio payment specified in the Grand Recorder's per capita statement.
12. The obtaining of perpetual membership on one Commandery by a plural member shall have no effect on his membership in the other Commanderies to which he belongs.
13. A Perpetual Member may transfer his Perpetual Membership to another Chapter, Council, or Commandery of which he is a plural member. If the Chapter, Council, or Commandery to which the Perpetual Membership is transferred has lower dues, including per capita tax, than the Chapter, Council, or Commandery from which the Perpetual Membership is transferred, the entire amount paid for the Perpetual Membership shall, nevertheless, be transferred. If the Chapter, Council, or Commandery to which the Perpetual Membership is transferred has higher dues, including per capita tax, than did the originating Chapter, Council, or Commandery at the time of purchase of the Perpetual membership, the member shall remit an amount equivalent to

the difference between the original cost of the existing Perpetual Membership and the cost of a Perpetual Membership in the Chapter, Council or Commandery to which it is transferred, computed as of the date of the transfer. If the member wishes to retain his plural membership in the Chapter, Council, or Commandery from which he transfers his Perpetual Membership, he shall pay that Chapter, Council, or Commanderies regular dues and per capita tax for the year in which the transfer is made and any subsequent years so long as he retains his plural membership.

14. A perpetual Member may affiliate under the appropriate section/sections of Grand Commandery Law governing each of the constituent Commanderies. If the affiliation is within this Grand Jurisdiction, the entire perpetual membership fee he originally paid shall be transferred to the account of the Commandery to which he affiliates. If the affiliation is outside this Grand Jurisdiction, the entire perpetual membership fee shall remain with the Commandery of which he was a perpetual member.
15. Any certificate of good standing issued to a perpetual member shall be endorsed thereon the fact that the holder is a perpetual member and the amount of the perpetual membership fee shall be transferred to the particular Commandery in Louisiana with which he affiliates.
16. If a perpetual member shall be suspended, expelled or demits and is subsequently restored to good standing, or re-affiliates from out of state, his perpetual membership shall be deemed to also be restored.
17. If a Commandery consolidates, surrenders its charter or has its charter arrested, the funds credited to that Commandery in the perpetual membership fund shall follow the members according to the relevant sections of the Grand Commandery Law dealing with consolidations, surrendering and arrest of charters.
18. A participant, at a future time, may add any amount to his perpetual membership fee through his local Commandery recorder.
19. Applications for perpetual membership shall be on forms prescribed by the Grand Commandery of Knights Templar of the State of Louisiana, and the Grand Recorder shall provide all forms required for the implementation of this section.

20. Where perpetual members have not been heard from for more than seven (7) years, the Eminent Commander shall direct the Commandery recorder to report the names of such missing brethren to the Grand Commandery on the monthly membership report as being deceased. Their names shall then be transferred to the rolls of deceased perpetual membership, but this action shall have no effect on the amount of money paid the Commandery and Grand Commandery for that perpetual member as set forth in Paragraphs 8 and 9.
21. There shall be no cost to the Constituent Commandery for the administration of this program by the Grand Commandery of Knights Templar of the State of Louisiana.
