Grand High Priest's Message

Greetings Companions!

I believe!! Yes, I do believe!!

I do believe Companions, that the 2022 Grand Sessions was a resounding success!! I also believe that we have much work to do as it relates to the Grand Chapter of Royal Arch Masons of Washington, and our Chapters, as we return to the business of The Holy Royal Arch. But before I get to that in this article, I would like to congratulate all of us who played a part in making the 2022 Grand Sessions a successful endeavor. Big Kudo's to our outgoing MEGHP David Aponte and his team for stellar performance.

When all is said and done, it gets down to the efforts of the individual Companions who join in this annual endeavor to make sure that we create an environment and a program that will keep the Companions engaged and returning to the work of the Arch. And yes, work it is. But, a big dose of gratitude to the Companions who have worked long and hard over the years to make our Annual Communication such a well-attended and pivotal event. It is incumbent upon all of us to recognize them for their achievements and work over the years, but also to remember that we need to now step up and assist and take on these responsibilities ourselves.

Companions, the state of our Chapters and of Royal Arch Masonry is I would say mixed. We are at a point where we need to "Bridge the Gap" between where we want our Chapter's, Council's and Commandery's to be, and where we are. We all need to increase membership, run better attended and focused meetings. We all need to assist our Blue Lodges in the creation of new Master Mason's. We all need to memorize and perform our ritual better. We all need to have better organized calendars and degree schedules. We all need to have additional resources to promote the ideals and the orders of our Rite. And this is where that starts.

By Bridging the Gap...

When you see work that needs to be performed, Bridge the Gap. Step up and be the Man who, in this case, in regards to this matter that was presented to you, is the one who says "I WILL DO THIS!" It may not be the perfect or the permanent solution to whatever the issue is, but Bridge the Gap now and let's begin the work of repairing the areas in our Chapters that need our attention. It's up to us as these opportunities arise.

But here is the good news. WE CAN DO THIS!! It all starts with this one simple thought. We can do it!! It is the belief in this simple thought, that we can do it, that begins this process of achievement. It's a decision. We, as human beings, are given the privilege and responsibility to live with this truth. It all starts with a Decision. Nothing gets done until someone decides to make it happen.

So, let me start with this. I believe we can Bridge the Gap right now and begin the process of rebuilding our Chapters in this Grand Jurisdiction. I believe we can increase the relevancy

and membership of the Holy Royal Arch in our jurisdiction. I believe we can have ample and productive resources funding our work as Royal Arch Chapters and Masons. And I believe that each and every one of us will be presented with opportunities to Bridge the Gap and Build for the Future.

But do me this favor if you would. I would like to hear from you as it relates to the opportunities that present themselves to you. Oftentimes these come in the form of challenges and yes, maybe even problems. But send me an email or text and let me know how you were able to Bridge the Gap and what your thoughts are for solving the issue in the longer term.

I believe this Companions, that we, working together, can overcome any adversity and put our Rite in that place of respect and relevance in this our World.

In the Faith,

MEC Scot P. Sageser
Grand High Priest

Illustrious Grand Master's Message

Greetings Companions!

First, thank you for electing me to this high and prestigious position of service to Washington Cryptic Masonry. I am truly honored and blessed. I will strive to make our Grand Council as equal and important a partner, with the Grand Chapter and Grand Commandery, in making our Grand York Rite Bodies better than before. This will take action from all of us but more especially, myself.

As Most Illustrious Grand Master, I can clearly state this will be a year of service and work for our Constituent Councils. This work will consist of four areas: membership, education, recognition, and events.

Membership is our top priority for the year.

First, we need to get out of our comfort zone within the Councils and go to our Lodge brethren and educate them on who we are and what we do.

Second, we need to bring quality candidates to our Masonic Lodges. We need to help our Masonic Lodges in growing. Only then can we have growth in our Councils.

Third, we need to offer Masonic Education to our Masonic Lodges. Approach the Worshipful Master and ask if they would like the Council to do an educational presentation. This will allow us to show our brethren who we are. We will allow Councils to give the Circumambulation Dialogue of our Royal Degree in the Masonic Lodges. This dialogue must be given by memory. In accordance with this plan, we will have a certification program for any Companion who is willing to do this dialogue. Now, you ask can we give this portion of the ritual? Several years ago, the General Grand Council Cryptic Masons International, gave Grand Councils and its Constituent Councils permission and encouraged them to do so. This is a great opportunity to get brethren to join York Rite. Grand Chapter has the Mark Master Degree Program for Masonic Lodges. Grand Council can further this approach with this presentation.

Education is our next priority.

Not only must we know our ritual from head to toe but we need to understand its meaning. I will continue the educational program begun by my predecessor, MIC Richard Kovak, regarding the two books he encouraged Councils to get for their members. This year we will continue to encourage Councils.

Recognition is vital to any organization that wants to maintain the energy of its members to continue working for the greater good. In this sense, I will ask the Master of the Arches to see which Companions in their respective Districts are meritorious of this award. I set myself to recognize up to a maximum of nine Companions of our Jurisdiction. In addition, I will recognize those Councils that are working diligently in the quarries. This award for the Councils will be the 9th Arch Award.

Events are what keeps us going. We will continue to have at least two state-wide classes. We are thinking of dedicating the first class to one of our most loved Companions and Sir Knights. His dedication, ritual work, and memorization of the York Rite ritual was extraordinary. More details to follow. I will push for Councils to get together to put on the Royal and Select Master Degrees for their own and neighboring Councils. Together, we can overcome the stagnation of degree work. We must engage our new Companions in this endeavor. Are you up for the challenge? I am thinking of doing Grand Council District Meetings and having a Table Council at these meetings.

Hmmm...Maybe we can change the format to have all three Grand Presiding Officers be there. Just a thought.

Companions, in a nutshell, I have given you what my plans for this year will be. With your help and assistance and God’s guidance in our plans, we can have the most productive Cryptic year yet.

Finally, remember to celebrate with pride our heritage as a nation on Flag Day. And now, may God bless and protect all York Rite Masons, Masonic Masons, our First Responders, our men and women in our Armed Forces, and this great nation.

Sincerely and fraternally,

Grand Commander's Message

Greetings Sir Knights:

First, I am humbled by the confidence the Sir Knights have placed in me by electing me to serve as the Grand Commander of Knights Templar of the State of Washington. It is truly an honor and I promise to endeavor to the best of my ability to deserve the confidence you have placed in me.

Sir Knights, as we return to “normal” we need to look to our commandries and the need to work on our membership. Knights Templar in Washington has seen to large a decline in our membership as many of us are rapidly aging out. I have a picture of a Templar parade in Washington and the street is filled with hundreds of Knights. Those were our glory days and we need to work to return there. It is a long road but each Sir Knight needs to think about recruiting his Templar replacement.

I encourage you to bring up the advantages of the York Rite with your Blue Lodge Brethren who have not yet taken advantage of the additional Light in Freemasonry offered by associated Masonic Bodies and Rites. Along this line I encourage Companions and Sir Knights to take advantage of the educational opportunity of the Companion Adept of the Temple Program offered by the York Rite Sovereign College of North America.

Also, I encourage you to remember and not forget those who you may not have seen in our asylum for a while and who we are in danger of losing touch with. We owe it to them to check in with them and to see how they are doing. Do they need a ride? Maybe just a gentle reminder of meeting dates. If they are I distress a gentle word that yes, they ARE important to us and we are all part of this great fraternity of Christian knights.

I wish you all the very best.

Royal Arch Research Assistance (RARA)

R.A.R.A. - Royal Arch Research Assistance is a Philanthropy of the General Grand Chapter of Royal Arch Masons, International, was established by action of the General Grand Chapter in 1975.

The purpose of the Philanthropy is to assist in providing funds for Research in areas where there is great need, and which are less than adequately funded from other sources. They have and are directing their main thrust of support to Research in the area of Auditory Perception, which adversely affects untold thousands of children, especially boys.

The study of central auditory function is an intriguing endeavor. A central auditory processing disorder impacts the academic, work, and social behavior of the child and adult. The condition causes them to scramble written, or oral, instructions and thus not understand what is wanted or desired of them even thou they have normal intelligence, normal vision and normal hearing.

This program is identifying the problems (causes) and the cures for this malady. Over the years exciting results have occurred for many children with specialized use of acoustic earplugs and earmuffs, strategic classroom seating arrangements, FM wireless microphone systems and even electronic manipulation of speech signals used to enhance the intelligibility of speech.

Much has been learned and accomplished, however, much still needs to be done. The General Grand Chapter of Royal Arch Masons is pleased to still contribute to the financial support of this worthy endeavor.

Cryptic Masons Medical Research Foundation (CMMRF)

The Cryptic Masons Medical Research Foundation is the national Philanthropy of the General Grand Council of Cryptic Masons, International.

Our Incorporation—March 6, 1986

The Cryptic Masons Medical Research Foundation, (CMMRF), was incorporated in the state of Oklahoma, driven by Most Puissant General Grand Master Ben Mandlebaum, of the General Grand Council, Cryptic Masons International.

Endowed Chair Established at IU—February 1996

The CMMRF Board of Trustees agreed to fund a Chair at the Indiana University Medical Center at the cost of \$1 million. The Foundation agrees to contribute \$200,000/year for five years to endow the chair. As an incentive, the university offered to guarantee a 5% income on the endowment plus matching it with a 5% payout from the endowment.

Dr. Keith L. March, Inaugural Chair—1999

Early in 1999, Keith L. March, M.D., PhD., was named the first holder of the newly endowed CMMRF Chair.

IU Endowed Chair Funded—1999

The final \$200,000 payment was made in December 2000 to fund the Chair at Indiana University.

CMMRF Lab Rebranding Strategy—December 2000

The laboratory sponsored by CMMRF was rebranded as the Indiana Center for Vascular Biology and Medicine (ICVBM). This new program and the creation of an endowed chair drew more than \$2,000,000 in additional funding for the program from non-Masonic sources.
2001-2002 \$300,000

Donation 2007

In 2007, a non-Masonic benefactor challenged CMMRF to match his \$50,000 donation to the Indiana Center of Vascular Biology and Medicine. By meeting his challenge, CMMRF contributed \$300,000 to ICVBM in 2007.

2007 Single Donation Makes Big Progress

In 2008, a Cryptic Mason donated \$20,000 which CMMRF matched and enabled Cryptic Masons to give \$240,000 to ICVBM for research in 2008. Today, upon request, CMMRF will match \$5,000 donations, up to \$25,000.

ICVBM selected to join CCTRN—2008

The IU center was tapped to join the Cardiovascular Cell Therapy Research Network (CCTRN), funded by the National Institutes of Health.

Founding Exec. Secretary Retires—April 2012

Marion K. Crum, Past Most Illustrious Grand Master of the Grand Council, Cryptic Masons of Indiana, retires from service as the first CMMRF Executive Secretary after serving almost 27 years.

CMMRF Donations Exceed \$3M—October 2012

After providing \$200,000 in support to the Indiana University ICVBM in 2013, CMMRF had an aggregated commitment of more than \$3,000,000.

Dr. Michael Murphy, Chair—2013

Dr. Michael P. Murphy selected as the next holder of the Cryptic Masons Medical Research Foundation Chair.

July 17, 2018

"CMMRF supports the Indiana Center for Vascular Biology and Medicine, (ICVBM), located at the Indiana University School of Medicine and the Richard Roudebush Veteran's Administration Medical Center located at Indianapolis, IN.

Because blood vessels are important in maintaining the health or repairing almost all tissues, practically all diseases turn out to have a vascular component connected to their origin or remediation. Diabetes, stroke, poor circulation, wound healing, and many other diseases share the common denominator of blood vessels. Centering our contributions to an organization that addresses so many different health concerns, both nationally and internationally, allows our supporters to share in the medical advancements, regardless of geography. Through the basic and clinical research, conducted by ICVBM and supported by CMMRF, advancements are being made to discover cures for many of today's health problems, prevent major diseases, and finally to save lives. We have the opportunity to improve the human condition for those most dear to us and ourselves. We invite you to become a part of this team and join our partnership in discovery. Let's do something great together!" *(copied from the CMMRF official web page and used with the permission of the CMMRF)*

To All Cryptic Masons Where So Ever Dispersed over the Face of the Earth:

In remembrance of the chartering of Cryptic Masons Medical Research Foundation, The CMMRF Board of Trustees declared Saturday, March 6th, 2021 as CMMRF DAY, calling on all Cryptic Masons to donate five dollars (\$5.00), to their home Council as tribute to this philanthropy and its great works.

Companions, the 2019 CMMRF Goal was \$250,000.00; we reached \$268,000.00. The 2020 goal was \$300,000.00; we reached \$334,000.00. 2021 CMMRF Goal is \$500,000.00. Let's see if we can continue the trend and beat this goal by an even bigger percentage. The total currently raised across all jurisdictions as of 12 February is \$22,722.77. The Grand Council of Washington is responsible for only \$55.00 of that total, \$50.00 from W.F. Meier Council #22 and \$5.00 from Seattle Council #6. We need to get to work!!

Additionally, the CMMRF has received a \$50,000 Challenge Gift to raise a matching \$50,000 by April 1. You can contribute to this match as well as CMMRF Day. Just be sure to mark your

checks/donations for CMMRF Day. And, if you contribute electronically, please remember to include your Council name and number and the Grand Council of Washington, so that you, your Council, and the Grand Council gets the appropriate credit for the donation.

Do not forget the tax and charitable opportunities of directing a portion of your RMD's, (Required Minimum Distributions), to CMMRF, and please consider remembering CMMRF in your estate planning documents.

Council Recorders are to accumulate all donations and send one check, on behalf of the Council to:

CMMRF
P.O. Box 210
Brownsburg, IN 46111-0210 by May 15, 2021.

Thanks for all you do for our great philanthropy!

Knights Templar Eye Foundation (KTEF)

The mission of the Knights Templar Eye Foundation is “To Improve Vision Through Research, Education, and Supporting Access to Care”.

The Knights Templar Eye Foundation, incorporated in 1956, is a charity sponsored by the Grand Encampment of Knights Templar. The Foundation is governed by a Board of Trustees comprised of the six elected officers of the Grand Encampment, all Past Grand Masters of the Grand Encampment, and six trustees-at-large elected from and by the membership for a term of nine years. It is exempt from federal income taxation under Section 501 (c) 3 of the Internal Revenue Code and contributions made to the Foundation are deductible by donors.

The original mission of the Foundation was “to provide assistance to those who face loss of sight due to the need for surgical treatment without regard to race, color, creed, age, sex or national origin provided they are unable to pay or receive adequate assistance from current government agencies or similar sources and to provide funds for research in curing diseases of the eye”.

On December 31st, 2010, the Knights Templar Eye Foundation, Inc., by direction of the board, shifted the Foundation’s focus and adopted a new mission statement “to improve vision through research, education, and supporting access to care.” The Foundation now only participates in direct patient care through the Seniors Eye Care Program in partnership with EyeCare America and the Foundation of the American Academy of Ophthalmology. With this change, the Foundation is benefitting untold millions in generations to come through grants that support research and education. Our research dollars have helped develop new nonsurgical, treatments for strabismus (crossed eyes) and ophthalmologists have told us that our efforts in funding pediatric ophthalmology research have been the primary reason that there are fewer and fewer surgeries for strabismus. The Knights Templar Eye Foundation, Inc., annually announces its call for research grant applications. The Foundation invites eligible investigators to submit applications for pediatric ophthalmology research grants for the award period which normally runs from July 1 to June 30. From the applications received, the Scientific Advisory Committee recommends to the Trustees which requests should be funded.

Since its inception, the foundation has expended over \$156M on research, patient care, and education. Research grants totaling in excess of \$28M have been awarded to researchers working in the fields of pediatric ophthalmology and ophthalmic genetics.

MMS

So as most of our Washington Secretaries and Recorders are about done with their “Annual Report hand-wringing” for another year, I am thinking that a good number of them would welcome a world where they didn’t have to type in the officers names, addresses, phone numbers, email addresses together with technical data relative to past heads-of-bodies, suspended and demitted members, affiliations, deaths and Degree information that could have been updated as the year went along within the MMS system. More and more Secretaries and Recorders have discovered the ease of working within the MMS system as they spend more time getting used to entering new petitioners and simply updating their information as they progress through the fraternity. Every day the heads of our Grand York Rite bodies have an opportunity to review the daily activity within the MMS and thereby acquire more helpful information as to where to direct their help and support. Deputies, Masters of the Arches, and Deputy Instructors are encouraged to become familiar with the MMS system so they can better assist new Secretaries/Recorders and point out how specific elements of the system can aid them in carrying out their duties to the units. Every Washington York Rite member has 24/7 access to their own information that is on file on the MMS platform.

When we first got started with the system, many discovered that the information they thought they had in their local systems turned out to be in error. Degree dates weren’t lining up, spellings were sometimes off a bit, and some who had recently stepped in to these important positions were unable to find a current and/or complete roster. Sometimes, if you are like me, when you get a few more years under your belt, you might tend to forget not only dates, but even that you had availed yourself of some of the bonus degrees and fraternal benefits that others continue to enjoy.

If you would like to do a simple check on what the MMS system has on file for you, there are a few hoops you need to jump through. First, you need a computer or an online device capable of running the Chrome browser. Second, you need one of your MMS membership numbers. Each York Rite body has a different number for you, but any one of them will allow you access to all your personal information. (Hint: Everyone who has a WA Knight Templar membership card has their number in the white section located on the edge of the card). The next thing you need is this internet link: <https://www.masonic-web.com/mms/memberbio/default.aspx>. If you see something amiss, or if information is missing, please let your Secretary/Recorder know so that he can edit your information on your behalf.

As time goes on, look for more information and ideas that will be posted here about how the MMS system can be implemented to make our experience a great one. Secretaries/Recorders - you might want to start dreaming of the day when you can do an annual report with a few simple button-pushes. If you run in to a challenge with this MMS business and need some assistance, that is why I am here. I am always willing to work with you toward a positive resolution.

Fraternally,

MIC Michael Holland, Past Illustrious Grand Master
Technology Committee Chairman

York Rite College Grand Governor's Message

Companion Knights,

The next General Assembly of the York Rite Sovereign College of North America will be held in Kansas City, Missouri, August 3-7, 2022. You can download the registration data on "yrscna.org." If you have never attended, now would be an ideal time to attend. You will meet many new people and get a completely new perspective on college activity. Give it a try! Our state colleges have recently met. Some did very well, but some need more work. Some members are in numerous bodies and have made their priority other than the college. Should we rework our schedules to make each body more accessible? Should we have ritual sessions to teach our members their parts? Should we have more practice? These are obviously basic questions, but it could help making our meetings more interesting and productive. Does your college invite their ladies to attend luncheons? This also would keep families involved. Do you visit other colleges? Do you recommend individuals for membership? Are you really interested in Masonry? We seem to be minimizing our membership. It takes time and effort to better our colleges. Are you willing to take that time? Please give these questions some thought.

Sincerely and fraternally,

REDB Louis E. Bartrand
Grand Governor Washington, YRSCNA

Washington Masonic Charities – Making a Real Difference

Br. Ken Gibson, Executive Director 253.442.2525 ken@wa-masoniccharities.org

Washington Masonic Charities is one of the best kept Masonic secrets, yet as Freemasons, each of us should be proud of the amazing work our Fraternity has accomplished this past year. Our good work shouldn't be a secret anymore, so I invite you to help us turn the tide by sharing this news.

Masons Care – Older Adult Outreach - *Our Masons Care program served 756 older adults and people in need during this past Masonic year.* We helped meet their urgent needs, helped them remain independent and in their homes, while providing their families and loved-ones the peace of mind knowing that they were safe

and well looked after. Types of assistance included housing, respite care, long term care, plumbing issues, food, clothing, and more. To this day we continue to provide support and assistance for individuals who had lived in the Masonic Retirement Center, making sure they are healthy, happy, and safe.

The Masons Care program or Washington Masonic Charities saved older adults, their families, and communities more than \$5 million in costs for assisted care or long-term care. Of this, 72% of our clients were Masonic, and we saved them \$3.5 million in care costs. This program provided a value of nearly \$10 for every \$1 we spent on staffing costs necessary to help people meet their need. Our skilled staff are our primary resources – we work hard to coordinate needs, goals and resources, often leveraging external resources to save costs on our end.

Operation Masonic Relief – So many of our Lodges and Masonic groups have lost contact with older Brothers and widows, yet many are in great need. Operation Masonic relief helps fix this, by working with your group to improve its connections with older Brethren and widows.

Masonic groups are invited to get involved with Operation Masonic Relief. Our staff and volunteers consult with your Masonic group to reconnect with your older Brothers and widows, strengthen relationships, and provide meaningful connections. Unavoidable things happen sometimes, so our skilled Certified Senior Advisor staff will be there as a backstop when your Masonic group sees a need with an older Brother or widow that is bigger than you can assist with. Your group will benefit by being more engaged and fulfilled through better relationships – your older Brethren and widows will benefit by having stronger connections and help when they need it. A more engaged Fraternity is a healthy Fraternity.

Contact Br. Byron Cregeur at 253.442.2505 X 110 or byron@masonscare.org for more information, to get involved, or if you know someone who could use assistance.
